ASSESSMENT/FEEDBACK FORM BY CLINICAL SUPERVISORS

(BASIC TRAINING)

This form is designed to help vocational trainees identify their areas of clinical strengths and weaknesses so that specific further training can be planned. Frank and constructive feedback from you is essential for this aim. Bear in mind that the doctor is aiming ultimately to enter general, rather than specialty, practice. If you have insufficient information to answer a question, please indicate this.

*Please forward a copy of this completed assessment form to the trainee for record.
