## **PRESIDENT'S MESSAGE (DR RUBY S Y LEE)**

This year, our College had formed a delegation led by Dr Angus Chan to the 20<sup>th</sup> WONCA World Conference in Prague in June, 2013 to bid for the 22<sup>nd</sup> WONCA World Conference with the aim to raise Hong Kong's profile in the international family physician arena. I would like to thank the Food & Health Bureau, Primary Care Office of Department of Health and the Hong Kong Tourism Board for their tremendous support in our bid. South Korea, who had lost in the last WONCA World Conference bid, won this time and will be hosting in the year 2018. Prof Donald Li, our Censor was elected WONCA World Member at Large. Dr Gene Tsoi, was elected Honorary Treasurer of WONCA Asia Pacific Region. Dr Margaret Chan, Director General of the World Health Organization, was the Guest of Honour at the opening ceremony. In her speech titled "The rising importance of family medicine", she said "family physicians' work continues a long and noble tradition... Today, you are the rising stars of coping with a number of complex and ominous trends. Your talents and skills are needed ... now more than ever."

In May, 2013, our College and the Primary Care Office, Department of Health jointly organized the Primary Care Symposium to commemorate the World Family Doctor Day. The World Family Doctor Day of 19<sup>th</sup> May was first declared by WONCA in 2010 and it has become a day to highlight the role and contribution of family doctors in health care systems around the world. It is an opportunity to acknowledge the central role of our specialty in the delivery of personal, comprehensive and continuing health care for all of our patients. It's also a chance to celebrate the progress being made in family medicine and the special contributions of family doctors all around the world.

With the consistent evidence that family physician system results in lower mortality, increased life expectancy, better self reported health, lower rates of admission to hospital, reduced health inequalities, and reduced costs, our College strives to promote family medicine in our country. The Board of Professional Development and Services (BPDS) was established in 2010 to provide family medicine educational activities for doctors outside Hong Kong. This year, led by Dr Lau Ho Lim, structured Continuous Medical Education (CME) Program was organized coordinated with Macau Health Bureau. The courses have received excellent feedback from attendants.

This year also marked the tenth anniversary of our Diploma in Family Medicine (DFM) course. With the vision of the Macau Health Bureau to strengthen family medicine training, the hard work of our Macau colleagues including Chief Family Physician Dr Chau Chi Hong, our DFM Board members, teachers, examiners and mentors under the leadership of Dr Simon Au, our diploma course has successfully launched in Macau. I would also like to thank Dr Wun Yuk Tsan for his tremendous contribution to revise the course materials and his generous donation to sponsor the Macau DFM Best Candidate Award. This was a fruitful year with a record high number of DFM students. 47 candidates completed the Course and were awarded The Certificate of Diploma in Family Medicine.

Our External Affairs Committee, led by Dr Gene Tsoi, assisted the Society of General Practice, Chinese Medical Association, Shanghai Medical Association and Shanghai Medicine and Health Development Foundation to organize the 2013 Oriental Family Doctor Forum and the 11<sup>th</sup> Annual Academic Conference of the Society of General Practice, Chinese Medical Association. The theme of this Forum is "Effective Primary Healthcare, From Theory to Practice". Our College was invited to participate in the Roundtable on General Practitioner / Family Doctor System in Shanghai. The meeting aimed at providing policy advice on developing general practice and family doctor system in Shanghai to make primary healthcare a core component of the whole medical and healthcare system by 2020. The discussion was led by Professor Chen Zhu, Vice Chairman of the Standing Committee of the National People's Congress, Honorary Chairman of the 6<sup>th</sup> national Committee of the General Practice Society, Chinese Medical Association, Dr Jin Shengguo, Deputy Director General, Department of medical Science, Technology and Education, National Health and Family Planning Commission, Professor Xu Jianguang, Director General of Shanghai Municipal Commission of Health and Family Planning with many local and international experts.

This is the 26<sup>th</sup> year of our Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. Dr Jennie Kendrick, Censor-in-Chief and Dr Chris Hughes, Censor, were the visiting External Examiners from RACGP for the 2012 OSCE Examination. I would like to thank the RACGP for her continued advice and support. I would also like to congratulate the Board of Conjoint Examination under Dr. Peter Chan and his board members to have run the Examination flawlessly with their hard work, experience and wisdom. On the day of the OSCE Examination, examiners, candidates and staff worked together as a team whole-heartedly to this very important event which allows no mistake.

This year, the Specialty Board led by Dr Wendy Tsui has passed 85 candidates in the Exit Examination and submitted 55 fellowship nominations all approved by the Hong Kong Academy of Medicine.

The Board of Education led by Dr Mary Kwong and her board members has organized a great number of educational activities with good varieties. Their excellent work represents the good tradition of our College.

The Public Education Committee led by Dr Ngan Po Lun and his committee members delivers health education to the public through various channels including regular publications in various newspapers. Their hard work has greatly promoted our College's mission to the public.

The 3<sup>rd</sup> Hong Kong Primary Care Conference (HKPCC) was successfully held on June 16, 2013 attracting over 340 delegates with the hard work of the organizing committee led by Dr Lorna Ng and Dr William Wong. This year's theme was "Innovations in Primary Care", There were many new initiatives such as the "Novice Research Paper Award" in the full paper competition, the "Best Oral Presentation Award" and the "Best Poster Presentation Award" The conference has brought together medical and health care professionals to share the latest scientific updates, exchange views and promote networking opportunities among the primary care community.

The Internal Affairs Committee led by Dr David Chao has successfully organized our 35<sup>th</sup> HKCFP Annual Dinner on 8 December 2012, the 26<sup>th</sup> Fellowship Conferment Ceremony and the 24<sup>th</sup> Dr Sun Yat Sen Oration on 15<sup>th</sup> June 2013. The Annual Dinner was well attended by 216 attendees and we are very honoured by the presence of our Honorary Legal Advisor Mr Anthony Chow, Council members, College Board/Committee members and guests. It was a great opportunity for colleagues and friends to meet.

Our Conferment Ceremony and Dr Sun Yat Sen Oration was held on 15<sup>th</sup> June 2013 well attended by 354 participants including the successful candidates of Exit Examination, Conjoint Fellowship Examination, Diploma in Family Medicine and their families as well as invited guests and dignitaries from the Food and Health Bureau, Department of Health, Hospital Authority, universities and representatives of local and overseas academic colleges. The Conferment Ceremony was held jointly with the Royal Australian College of General Practitioners, represented by the Censor-in-Chief, Dr Jennie Kendrick. We conferred our Honorary Fellowship of HKCFP to Dr York Chow Yat Ngok GBS,SBS, MBE,JP. Dr Chow is now the Chairperson of the Equal Opportunities Commission. He was appointed as Secretary for Health, Welfare and Food (later renamed as Secretary for Food and Health in 2007) from 2004 to 2012. Dr Chow established the Primary Care Office (PCO) in 2010 to support and co-ordinate the development of primary care in Hong Kong and the implementation of primary care development strategies and actions, and actively promoted the concept of primary care and family doctor. This year, 27 HKCFP and 29 RACGP fellowships were conferred. Besides, 55 received their certificates of Exit Examination and 47 received our College Diploma of Family Medicine (DFM). The Best Candidate in the Fellowship Examination 2012 was Dr Tam Yick Sin. The DFM Distinction Candidate was Dr Au Tai Kwan, Eva and the Macau DFM Best Candidate was Dr Hoi Chu Peng. The Best Research 2012 was awarded to Professor Wong Chi Sang, Martin. His research topic is "Drug adherence and the incidence of coronary heart disease and stroke-specific mortality among 218,047 patients newly prescribed an antihypertensive medication: a five-year cohort study". The Research Fellowship 2013 was awarded to Dr Lorna Ng. Professor Joseph JY Sung was our Sun Yat Sen Orator this year. Professor Sung is the Vice-Chancellor & President of the CUHK. He delivered a very enlightening speech "The Losing Art of Medicine in 21<sup>st</sup> Century", reminding us the importance of kindness and empathy in our daily practice.

I am most delighted to find that many of our trainees are interested in research. Primary care is now a WHO priority with tremendous potential in research and publications. Besides our unique experience in health care, we are also part of China, a nation with an important role in world's health with emerging primary care. Hong Kong is also part of Southeast Asia, a global microsome with huge diversity. Primary care research can provide answers to many common clinical questions. The Research Committee under Dr William Wong and his committee members will continue to promote primary care research.

The Editorial Board under Dr David Chao and his board members, and the FP Links Committee under the Chairlady Dr Wendy Tsui and Chief Editor Dr Catherine Ng have worked hard to enable the quarterly publications of our journal the Hong Kong Practitioners and the monthly publications of our FP Links respectively.

Many council members have also contributed through representation of our College in various professional committees including –

- Dr Angus Chan in the Education Committee of the Hong Kong Academy of Medicine, CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings;
- Dr Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols, Primary Care Directory, Task Force on Primary Care, and Delivery Models, Working Group on Primary Care, WONCA International Classification Committee;
- Dr Peter Chan in Working Group on Alcohol and Health, Steering Committee on Prevention and Control of Non-communicable Diseases;
- Dr Lau Ho Lim in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes, Self Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee, CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings, and University of Hong Kong Health Services Committee;
- Dr Billy Chiu in Subgroup on Professional Development for Primary Care Directory Enrolled Doctors and Dentists; and Working Group on Defining High-Risk Medical Procedures / Practices Performing in Ambulatory Setting.
- Dr Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project;
- Dr David Chao in the Scientific Committee of Hong Kong International Cancer Congress;
- Dr Mary Kwong in the Resuscitation Council of Hong Kong, etc

The hard work of our secretarial staff led by Ms Erica So, Business Manager Dr Mary Kwong, House Management, Quality Assurance & Accreditation Committee under Dr Billy Chiu, Finance Committee under Dr Quincy Yuen, Council Member on Duty System under Dr Tony Lee, Web & Computer Committee under Dr Mark Chan, and Membership Committee under Dr Cheung Man Kuen has enabled the daily operation of our College.

Last but not least, I must thank my Chief Censor Prof Cindy LK Lam, Censors Dr Stephen KS Foo and Prof Donald KT Li, and Immediate Past President Dr Gene Tsoi for their valuable advice and guidance; my Executives Drs Angus Chan, Lau Ho Lim, Billy Chiu, Quincy Yuen, and all council members who shared a lot of the duties and assignments. I have to thank all the secretariat staffs under Ms Erica So for their dedication and hard work.

Dr Ruby S Y Lee  
President

## **HONORARY SECRETARY'S MESSAGE (DR BILLY C F CHIU)**

Under the leadership of President Dr Ruby Lee, the College continues to work hard to promote quality Family Medicine locally and internationally, as well as to set and maintain standards for education, researches and primary care in Hong Kong.

On the international front, as part of our continuing effort to promote Primary Care and Family Medicine, the College submitted a proposal to the Wonca World Council to express our intention to host the 22<sup>nd</sup> Wonca World Conference in 2018/2019. We were deeply grateful to have received tremendous support from Chief Executive of Hong Kong SAR Mr CY Leung, Secretary of Food and Health Bureau, Dr WM Ko, and the Hong Kong Tourism Board in our bidding. Though we have lost the bid, we were provided the opportunity to introduce our College in the international stage. Experiences gained from the rising occasion have motivated us and has built the momentum for us to aim higher in every aspects of our development.

It's indeed a very special and fruitful year that we have met many old friends of HKCFP while our team participated in the Wonca World Conference in Prague, with the likes of former Presidents of Wonca Prof Bruce Spark, Professor Chris van Weel, and the newly elected Wonca President Professor Michael Kidd etc. Our Censor, Professor Donald Li has stepped down from his presidency of Wonca Asia-Pacific Regional since May this year and was elected the Honorary Treasurer and Member at Large of the Wonca World Executive Council. Our immediate Past President, Dr Gene Tsoi, was elected Honorary Treasurer of Wonca Asia-Pacific Region.

On the home front, the activities and events organized by the College continued to provide good quality education and training purposes. With the success of the Hong Kong Primary Care Conference in the last two years, the third Hong Kong Primary Care Conference attracted more than 340 participants including doctors, nurses, allied health professionals, and medical students. The Board of Education continued its busy schedule in providing medical education. The Board of Vocational Training and Standards has started reviewing and updating the training portfolio to better reflect the ever-changing standards. Boards of Conjoint and Specialty Board kept their standards in examinations. In collaboration with Macau Health Department, Board of DFM successfully organized its first diploma for General Practitioners in Macau. The College also remained in a good financial position to allow the College to provide more resources and support in educational activities and trainings.

It is also a specially arranged year for the conferment ceremony, as we have scheduled the 26<sup>th</sup> Fellowship Conferment Ceremony to be held just prior to the Hong Kong Primary Care Conference. This year, we conferred our Honorary Fellowship to Dr York Chow whom is currently the appointed chairperson of the Equal Opportunities Commission. Dr Chow established the Primary Care Office in 2010 during his term as Secretary for Health and Food Bureau, to support and coordinate the development of Primary Care in Hong Kong and the implementation of primary care development strategies and actions, and actively promotes the concept of primary Care and family doctor. It's indeed our great honor to have Dr York Chow to join the big family of HKCFP. The Vice-Chancellor & President of the CUHK, Professor Joseph Sung was our Sun Yat Sen Orator this year. His speech "The Losing Art of Medicine in 21<sup>st</sup> Century" enlightened our younger fellows and reminded every of us the importance of kindness and empathy in our daily practice.

In July, the Executive Director and Chief Executive Officer of the College of Family Physicians of Canada, Professor Francine Lemire, and Chair of Council, Royal College of general Practitioners of UK, Professor Clara Gerada, together visited the College and delivered a remarkable lecture to the College members.

The College could not run without the contributions from its members and fellows. Members of Council,

Boards, and Committees had sacrificed their time to maintain continual operation of the College.

The HKCFP Secretariat has a steady year in 2012 with minimal staff movements. We have a total of 15 staff in the team. I am confident that our Secretariat is strong and harmonious to support the College with every staff's professionalism. It's crucial to ensure College's operation and growth.

Last but not least, I would like to thank the dedicated Secretariat team and in particular, the Executive Manager, Ms Erica So for their hard work.

### **The Examination**

The format of the 26<sup>th</sup> Conjoint Examination 2012 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

### Workshops for Examiners

- 1<sup>st</sup> Examiner Training Workshop for OSCE 8 July 2012 (Sunday)
- 2<sup>nd</sup> Examiner Training Workshop for OSCE 5 August 2012 (Sunday)
- Workshops on Standard Setting for MCQ exam paper 1 & 2 September 2012 (Saturday & Sunday)
- Workshop on Standard Setting for KFP exam paper 2 September 2012 (Sunday)
- KFP Marking Sessions 7, 8 & 9 September 2012 (Friday, Saturday & Sunday)
- Case-writing Group Meetings for OSCE 15 May and August - September 2012
- 3<sup>rd</sup> Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 14 October 2012 (Sunday)

### Candidates Information Seminar

An information seminar for candidates sitting the clinical segment was organized on 24 June 2012. 25 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them better prepare for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

### The Conjoint Fellowship Examination

#### Written Segments:

MCQ	1 September 2012 (Saturday)	HKAM Jockey Club Building
KFP	2 September 2012 (Sunday)	HKAM Jockey Club Building

#### Clinical Segment:

OSCE	28 October 2012 (Sunday)	Princess Margaret Hospital
------	--------------------------	----------------------------

### External Examiners from RACGP

Dr Jennie Kendrick (Censor-in-Chief) and Dr Chris Hughes (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 28 October 2012.

### Number of candidates

There were altogether a total of 82 candidates sitting for this year's examination, with 70 and 12 candidates of Category I and Category II respectively.

44 candidates sat for the Written Segments (35 Cat I and 9 Cat II candidates), while 48 candidates sat for the Clinical Examination (40 Cat I and 8 Cat II candidates).

### Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to the minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.
6. Presentation of OSCE exam materials to examiners only on the day of exam.
7. Continual appeal to the professional integrity of all involved in running the exam.
8. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the days of exam.

9. Forbiddance of use of any electronic devices by candidate inside exam venue.
10. Prompt data entry of candidates' scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

### Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our two Cantonese speaking stations, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

### CHAIRMAN'S MESSAGE

The DFM course entered her tenth anniversary year in 2013. This was a rewarding and fruitful year as forty seven candidates fulfilled all the requirements of DFM Course and passed all the assessments and the Final Examination in 2013. The Board would like to congratulate on their wonderful achievement and effort in acquiring new skill and knowledge in Family Medicine.

This year has been a very meaningful and memorable year to the DFM board. Our Board has successfully launched our DFM programme in Macau to cater the growing needs of Family Medicine training for the primary care doctors. On behalf of our College and our Board, I would like to express my deepest appreciation to Dr Lei Chin Ion, the Director of Macau Health Bureau and Dr Chau Chi Hong, Chief of Family Physician, and Co-ordinator Committee of Internship Doctor. Without their generous support and valuable advice, the Macau DFM course would not be achievable and successful.

Lastly, I would like to express my sincere thanks to Dr Wun Yuk Tsan for being our External Examiner in keep our examination standard, his tremendous contribution to revise our course materials and his generous donation to sponsor Macau DFM award. I wished to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo and our President, Dr Ruby Lee for their continuous advice and guidance, Dr Chan Chi Wai for being our Chairman of assessment and examination subcommittee in organizing a very successful examination. I was particularly thankful to all my brilliant hardworking Board members travelling with me to Macau so many times to promote and teach DFM course and all the teachers, examiners, and mentors for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms. Yvonne Lam, Mr. Oscar Kwan, and Mr. John Lee for their diligent work.

### CHAIRLADY'S MESSAGE

During the year 2012-2013, the Board, similar to previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

#### Video-Library and Video-Viewing Session

For the period of 2012-2013 we arranged 10 video sessions in our Wanchai College premises on a monthly basis. Video viewing session and Video Library have been practiced since July 2005. The viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening CME activities and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics of the 10 sessions presented were:

- Glycemic Index - Non-Alcoholic Fatty Liver Disease

- STATIN: Benefit Beyond Lipid Lowering
- Update of Management of Atopic Dermatitis
- The Role of Family Physicians in Liver Transplant
- Liver Transplantation
- Skin Disease of the Hands & Feet
- Common Disease in Ophthalmology: Real Cases in Daily Practice
- Common Diseases in Ophthalmology: Cataract
- Frozen Shoulder: Management Beyond Physiotherapy
- Common Injuries Overlooked
- Flat Feet in Children - Treatment Required?
- Myofascial Pain Syndrome
- Understanding Fat: Good VS Bad
- Therapeutic Strategies to Prevent Diabetic Nephropathy: The ROADMAP Study
- Depression & Anxiety Management

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video giving the participants the feeling of attending the luncheon meeting.

### **Small Discussion Group**

It is good news that the number of Small Discussion Groups has increased to 146. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

### **Cardiopulmonary Resuscitation (CPR) Training**

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. CHENG Chun Ho and Dr. PUN Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2012-2013. We have 44 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year. In addition, we also held one CPR instructor training and examination workshop in 2013. 4 instructor trainees have passed the assessment and are now recognized as CPR trainee examiners.

The Board would like to express our sincere thanks to Dr David S L CHAN, Dr KONG Che Wan and Dr WONG Pak Hoi in co-ordinating and Dr AU-YEUNG Shiu Hing, Dr CHEUNG Ying Man, Dr KWAN Man Woo, Dr Michael C H KWOK, Dr Daniel C Y LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr SUNG Tai Wai, Dr Dorothy K Y TO and Dr WONG Ka Wah for being the examiners.

### **Clinical Attachment**

Being the Chairlady, I am glad that we have three clinical attachments this year with the support from our hospital colleagues.

Diabete	-	United Christian Hospital
ENT	-	Division of Otorhinolaryngology, Department of Surgery, CUHK
Infectious Disease	-	Department of Medicine and Geriatrics, Princess Margaret Hospital

The Board would like to express our sincere thanks to Dr TSANG Tak Yin, Dr TSANG Man Wo, Dr Grace KAM, Professor C A van HASSELT, Professor Michael TONG, Dr. John WOO, and the staff of their departments for organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

### **Assessment Enhancement Course**

Assessment Enhancement Course remained the most welcome course in her 13<sup>th</sup> year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard of participating doctors on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination.

The Board would like to express our sincere thanks to Dr Janet C Y TAM in co-ordinating and all tutors as follows: Dr CHAN Man Li, Dr CHEUNG Mei Yee, Dr CHU Tsun Kit, Dr CHUNG Kin Wing, Dr FOK Peter Anthony, Dr HO Ka Ming, Dr LAI Sheung Siu, Dr Allen H Y NGAI, Dr SZE Lung Yam and Dr WONG Yuk Shan.

## Post AEC Training Course

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC candidates especially Category II candidates to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support and tutors. The Board would like to express our sincere thanks to the Co-ordinator, Dr Peter K Y LEE and all the tutors: Dr Simon C L AU, Dr. Edmond C W CHAN, Dr HO Ka Ming, Dr Francis W T LEE, Dr Gordon Y M LEUNG and Dr Janet C Y TAM in donating their time and effort in this course.

## Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 32 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 210 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in year 2013.

The Board would like to take this opportunity to thank all guest speakers in our various College scientific and educational events.

The Board would like to express our sincere thanks to Dr AU-YEUNG Shiu Hing, the Moderator Chairman and Dr Simon C L AU, Dr

Edmond C W CHAN, Dr Alvin C Y CHAN, Dr CHAN King Hong, Dr Mark S H CHAN, Dr David S L CHAN, Dr CHAN Yin Hang, Dr CHAN Wing Yan, Dr Aster W Y LAU, Dr LEE Cheuk Pong, Dr Peter K Y LEE, Dr Francis W T LEE, Dr Danny P K MA, Dr Janet C Y TAM, Dr Leon George TONG, Dr TONG Siu Man, Dr TSUI Hing Sing, Dr WONG Nai Ming and Dr Solomon T L YEUNG for being the moderators.

The Board videotaped the Updates and lectures, which are kept in our video library for video viewing sessions and for members' access through the secretariat at Wanchai. Those members, who cannot attend the lectures that they are interested in, can re-visit through seeing the videotape in our Wanchai premise. Our College plans to upload these lectures and Updates on to the website for Board of Education so that all members could access at home.

The Board would like to thank all those members for giving us comments or returning evaluation forms after attending the lectures or Updates. Their valuable comments would enable the Board to arrange lectures to meet the learning needs of our members in the future. Again, members are encouraged to submit their CPD logs of these lectures and Updates to gain additional CPD points.

### **Professional Development Subcommittee**

Since 2005, seven Interest Groups have been formed under this Subcommittee: namely Clinical Family Medicine, Counseling, Dermatology, Chronic Disease and Geriatrics, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

Since 2008, Board of Education has been planning to arrange some structural training courses under Professional Development Subcommittee for our members, especially on the aspects that are important in our discipline and yet seldom touched in our training. Without doubt, Practice Management is an essential part of a good general practice. Training Course on Practice Management, arranged under the Interest Group of Medico-legal Alert is the first one to start off and is overwhelming welcomed. With the mission to provide fundamental knowledge and information of the private practice to our members, the Board confirmed and in progress to organize an addition segment "Practice Management Attachment Course in Private Sector" as Part B of the Practice Management training Course.

Research on Family Medicine is rather deficit in our discipline and the Training Course on Research & Biostatistics for Medical Professionals under the Interest Group of Clinical Family Medicine has been arranged and highly supported by the higher trainees. Counseling is a professional relationship that empowers diverse individuals, families, and groups to accomplish mental health, wellness, education, and career goals. Counseling skills are important in daily management of our patients on the aspects of health education, such as life style modification. Counseling is one of the effective means for developing human potential. Interest Group in Counseling is established and will provide some training to the beginners and sharing of experience with expertise and members, who are interested in Counseling.

## Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details were published in the College Journal since May 1998.

## Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board in organizing the various Community Education Programmes:

- Hong Kong Medical Association
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members were welcomed to attend these programmes and CME points were accredited.

## Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training of Family Medicine. It's divided into 14 module and trainees should be attended at least 15 hrs for each module. It is also opened to all College members and will be awarded CME credit points when attending the programme. I would like to thank the following hospitals in organizing the various Structured Education Programmes for our College members:

- Tuen Mun Hospital
- Pamela Youde Nethersole Eastern Hospital
- Tsan Yuk Hospital
- Prince of Wales Hospital
- United Christian Hospital
- Tseung Kwan O Hospital

## Self-Assessment Correspondent Programme

### MCQ papers

MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.

## Acknowledgement

Stepping into the ninth year of chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. We have a capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staffs, Mr John LEE and Ms. Yvonne LAM for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

## **CHAIRMAN'S MESSAGE**

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members have to share the responsibilities of BVTS such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31<sup>st</sup> March 2013 are as follows:

New enrolled Basic trainees	:	40
New enrolled Higher trainees	:	22
Total Basic trainees	:	112
Total Higher trainees	:	64

Our basic training programme to be reaccredited by RACGP and it was done on 29<sup>th</sup> and 30<sup>th</sup> of October 2012. The representatives from RACGP, Dr Jennie Kendrick and Dr Chris Hughes, were invited to visit our training centers in Outpatient Clinic at Hong Kong Sanatorium Hospital, GOPC at Fanling, Tin Shiu Wai Community Health Center and Caritas Medical Center. The report was positive and their comments and recommendations were appreciated. Our training programme was re-accredited for another 3 years cycle.

I welcome Dr Lee Chun Kit Tony to join BVTS as Board member. His participation is definitely valuable to our Board. I also welcome all other new members to join the various subcommittees of the Board. On the other hand, I would like to express my gratitude to our secretaries Carmen and Brian who are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme.

## Output

## CHAIRMAN'S MESSAGE

The Hong Kong Practitioner continued as a quarterly publication with 17 manuscripts published over the year. Among the published manuscripts, 35% were original research articles and 35% were update articles and the remaining ones were comprised of editorials and case reports.

We would like to thank the contributing authors, our editorial board members, business manager, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their dedications and support over the year. We strive to provide relevant clinical updates for busy family physicians and put together articles with related topics as theme issues in the coming year.

The Board had organized Pre-Exit Examination Training Workshop and Post-Exam Evaluation Workshop after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 55 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. College have arranged 26 CME lectures in the past financial year including educational luncheon scientific meetings and Updates. We have a very successful Hong Kong Primary Care Conference 2012 held on 2-3 June with the theme "United We Care: Forging Partnerships in Health", which focus on strengthening collaborations among health care professionals across different sectors to enhance primary care provision to our community. Moreover, we are in the progress of organizing a few different activities, such as Cardiopulmonary Resuscitation (CPR) Training Workshops, co-operating with the Hong Kong College of Cardiology and several training courses, namely Counselling Training Course, Practice Management Training Course, Research & Biostatistics Training Course. The regular bi-monthly activities, Dermatology and Mental Health Interest Groups are most welcome by our members. Assessment Enhancement Course has been extended to include Written Enhancement Training Course and Post AEC Training Group. Diabetes Clinical Attachment, ENT Clinical Attachment, Annual Refresher Course are also successfully arranged by Board of Education. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We had a memorable evening of 35<sup>th</sup> Anniversary Dinner held on 8<sup>th</sup> December, 2012 at Lippo Chiuchow Restaurant. The joyful night was shared among our members and invited guests with the peak with the dinner lucky draw. I would like to take this opportunity to thank our College members, Holiday Inn Golden Mile Hong Kong, Eaton Smart Hong Kong, Pfizer Corporation Hong Kong Ltd and Lundbeck Hong Kong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The Family Physicians Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

AstraZeneca Hong Kong Limited  
Boehringer Ingelheim Hong Kong Ltd  
Daiichi Sankyo Co., Ltd.

## **EDUCATION COMMITTEE (AM AFFAIRS)**

**Coordinator :** Dr Angus M W CHAN

**Staff :** Ms Erica M SO (Executive Manager)

### **Procedures Requiring Skills Acquired by Post-Fellowship Training/Experience**

The EC Chairman had a brief discussion with HA regarding the collaboration in credentialing and establishing guidelines for these procedures. EC agreed to form a working group for this.

### **Working Group for Credentialing**

The Working Group had its first meeting on 26 September 2012, and discussed the reasons, implications and potential issues related to credentialing. After discussion, the Group recommended that:

- consensus should be obtained from the profession for successful implementation of credentialing;

- b) for (a), the Academy should work out a document on “Credentialing” with clear objectives, and details on its scope and how it would be carried out;
- c) credentialing should start with the less controversial ones;
- d) one to two procedures would be chosen for piloting to help explain the guiding principles;
- e) “Colposcopy” (College of O&G) and “Aortic Stent Grafting” (College of Radiologists) were recommended for (d). Other Colleges can wait and see how it goes with these two piloting exercises before proceeding further with other procedures.

### College CME/CPD Guidelines for 2014-16

EC had endorsed all the 15 Colleges’ CME/CPD Guidelines for 2014-16

EC confirmed that the “two-thirds” requirement for remedial referred to two-thirds of the “simple total” of the required points for a cycle. For example, if a Fellow has obtained 100 passive points but 0 for “non-passive” after the end of a cycle, he would still be regarded as remediable non-compliant even though he did not have 2/3 of the required “non-passive” points. But ultimately he must make up for the shortage of the 15 “non-passive” points for his remedial.

### Applications for Exemption from CMECPD

Fellows that have retired or suffered from recent illness can have the following two options:

#### Option 1

CME exemption can be granted provided that he is not in active practice. The Academy Fellowship of the Fellow can be retained. But the Academy has to report his non-compliance of CMECPD to MCHK by the end of the current cycle (Section 10(a) of the Academy’s CMDCPD guidelines). Consequentially, his name will be removed from Specialist Registration (or he can voluntarily resign from Specialist Registration). He can apply to have his name included in the Specialist Registration again subsequently, on condition that he can obtain 40 points in the first year of the resumed cycle (Section 10 d).

#### Option 2

The Fellow has accumulated more than 2/3 of the required 90 points, he can choose to engage in the remedial programme, which must be completed within the first year after the current cycle. He can retain his Fellowship and Specialist Registration status. But if he eventually fails to complete the remedial programme by the end of the following year, his Fellowship may be removed (Education Committee of AM can however still consider granting him exemption if he has not been engaged in active practice so that he can keep his Fellowship). His non-compliance will be reported to Medical Council accordingly.

### Training and Accreditation in Genetics and Genomics

Hospital Authority in collaboration with Department of Health has commissioned a consultancy study on local genetic and genomic services in 2011. The scope of the study covers the review of genetic and genomic services in Hong Kong and recommendations for the future development of such services across a full range of specialties in the public, private and academic sectors. In order to follow-up on the recommendations, they have started a Preparatory Committee on the Strategies of Genetic and Genomic Services in Hong Kong. The Committee at its first meeting agreed there is in particular a need to build the capacity and critical mass of expertise in genetics that is up to the international standards for the development of genetic and genomic services in the territory. In this connection, HA would like to seek advice from the Academy on the necessary training and accreditation of clinical genetics and genomics by the relevant colleges.

Our College was invited by Dr Geng Qingshan, the Deputy Director of Guangdong Health Department (廣東省衛生廳耿慶山副廳長), to visit the Province Health Department headquarter in Guangzhou and a community health centre in Panyu. Drs Ruby Lee, Angus Chan, Lau Ho Lim, Billy Chiu and I went together on 2 December 2012. We were impressed by what they have launched in the community primary care services. In the afternoon, we participated in a meeting with in-depth discussion about training of family doctors in Guangdong. I hope more of these exchange opportunities will bring together some collaboration in the healthcare reform based on a Family Doctor system.

2013 is a busy year for the External Affairs Committee. I have recruited new members to support various activities.

Dr Catherine Chen has given a presentation in Beijing at the 6<sup>th</sup> National Community Healthcare Conference in May on behalf of our College. Her presentation was very well received and created a lot of interests in the public medical services in Hong Kong, Her excellent Putonghua is definitely a draw-card to capture the audience which I am ashamed of.

The 2013 Oriental Family Doctor Forum and 11<sup>th</sup> Annual Academic Conference of the Society of General Practice, Chinese Medical Association was successful held in July in Shanghai. Many renowned speakers from overseas, including the new WONCA World President Prof Michael Kidd, and experts from China participated to share their experiences in the training of Family Doctors, which is of crucial importance to the health-care reform in China. Over 2000 delegates from different provinces attended the 3 days Conference. Drs Ruby Lee, Donald Li and I have given our presentations in the Forum and joined in various discussions which have been very proactive and constructive. I hope the Hong Kong experience in Family Medicine could be contributive to the future design and planning of FM training programme in China.

The Prague World WONCA 2013 in June has been popular with a number of our Fellows presenting and attending at the Conference. Drs Ruby Lee, Donald Li and I have attended the WONCA APR Regional and World Council before the opening of Conference. Congratulations to Dr Donald Li being elected as Member at-large and then Hon. Treasurer in the World Council. Our College has always been actively involved in WONCA's functions and activities. The next Regional APR WONCA Conference will be hosted by Malaysia in May 2014. I am the Regional Coordinator for the WONCA Working Party on Research Panel Project. Member Organizations of WONCA were invited to nominate presenters of their local research to join in a plenary session in the Regional Conference as well as the World Conference in Brazil 2016. I have invited Prof Samuel Wong to join our Committee and represent our College in the future Conference as the Lead Researcher for Hong Kong.

As always, I must thank all those who have contributed their precious time and energy in the various activities under this Committee. I welcome the new members Dr Catherine Chen and Prof Samuel Wong to join me in our future commitment to promote Family Medicine in Hong Kong, China and globally. Lastly, my personal appreciation to our Secretariat for the liaison and preparation work under Erica is of vital importance to make things easier for me.

## FINANCE COMMITTEE

**Chairman :** **Dr Quincy S M YUEN**

**Committee Members:** Dr Ruby S Y LEE (President)  
Dr Angus M W CHAN (Vice-President – Education & Examinations)  
Dr LAU Ho Lim (Vice-President – General Affairs)  
Dr Billy C F CHIU (Hon. Secretary)

**Staff :** Mr Marco C W CHENG (Administrative Assistant, From March 2013 onwards)  
Ms Angel M H CHEUNG (Administrative Executive, to March 2013)

With careful monitoring by the Finance Committee, the financial situation of the College in 2012-2013 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$17 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 12% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Ruby S Y Lee, our President, Dr Lau Ho Lim, our Vice President (General Affairs), Dr Angus Chan, our Vice President (Education & Examinations), Dr Billy Chiu, our Honorary Secretary, Ms Erica So, our Executive Manager, Ms Angel Cheung and Mr Marco Cheng, our Administrative Executive and Assistant, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

## CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 20 members coming from different sectors: public and private; universities, cross clusters and even cross countries. Sharing the passion for Family Medicine, We work as a cohesive team to promote the development of Family Medicine and enhance the communication between members and other professionals. Our contents are strongly diversified, to name a few, photo gallery of college events, introduction of college committees, features of primary care initiatives and latest health related news, and inspiring articles of life wisdom. Our aim is to produce a newsletter which is both informative and interesting.

**CHAIRMEN MESSAGE**

The 3<sup>rd</sup> Hong Kong Primary Care Conference (HKPCC) was successfully held on June 16, 2013 attracting over 340 delegates. This year's theme "Innovations in Primary Care" highlighted many new changes, such as the "Novice Research Paper Award" in our full paper competition, the "Best Oral Presentation Award" and the "Best Poster Presentation Award" in addition to going green by distributing soft copies of our programme book. This event featured an exciting blend of 3 plenary sessions, 3 workshops, 3 seminars, 1 lunch symposium, Clinical Case Competition, oral and poster presentations. Moreover, this conference has actualized its role as a fertile platform for bringing together experts, clinicians and health care professionals to share latest scientific updates, exchange views and promote networking opportunities among the primary care community.

**Staff Movement**

The HKCFP Secretariat had a steady year in 2012 with minimal staff movements. The accounting staff Ms Angel Cheung had resigned in March, after serving the College for the last 3 years. The House Committee saw this opportunity, and internally promoted Marco, previously as an Administrative Assistant, to the vacant accounting role.

Moreover in May, Mr Oscar Kwan has been re-employed as an Administrative Executive, continuing to serve the College after his resignation in late January.

I'd also like to thank the Executive Manager Ms Erica So for her continued leadership and the secretarial team for their generous support in the past years.

## Grading & Salary Structure

### **HKCFP Annual Dinner**

The 35<sup>th</sup> HKCFP Annual Dinner was held successfully on 8 December 2012 (Saturday) at the Lippo Chiuchow Restaurant, Shop 4, Ground Floor, Lippo Centre, 89 Queensway, Hong Kong.

The Annual Dinner was well attended by 216 attendees including our Council members, College Board/Committee members, their spouses and guests from different pharmaceutical companies. It served as a great opportunity for colleagues and friends to meet and catch up with one another.

Successful candidates of Conjoint Examination Dr YIU Yee Ki and Dr CHOW Kim Yue, and that of Exit Examination Dr Peter T K NG were invited to share their experiences with our members and guests.

The Internal Affairs Committee wishes to express our sincere gratitude towards our President Dr Ruby S Y LEE, our Council members, representatives of pharmaceutical companies, hotels and the Printhouse for supporting and sponsoring the prizes in Lucky Draw. We would like to thank Dr Monica P S SHUM and Dr FOK Peter Anthony for helping as the MCs of the Annual Dinner and our secretariat who gave their time and effort in making the Annual Dinner a success. We would also like to thank Dr Kenny KUNG, Dr T B CHAN, Dr Rachel YU, Dr Natalie SIU, Dr CHAN Hung Chiu and Mr Anthony CHOW who have shared their talents in singing performances on stage. Last but not least, we would like to thank Dr LO Ling Timothy who volunteered to be our additional photographer for the evening.

The current membership of HKCFP is as follows: - (as in June 2013)

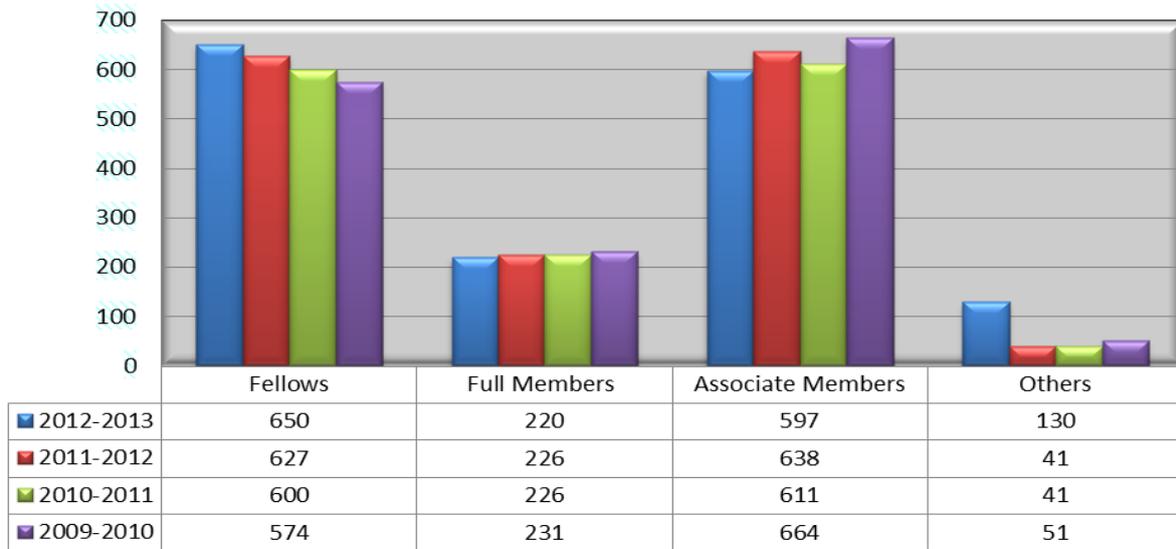

Fellows*	650 (HKAM Fellows: 380)
Full Members	220
Associate Members	597
<u>Others **</u>	<u>130</u>
Total:	1597

\* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

\*\* Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

#### Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2012, there is no doctor seeking our advice on professional performance.

I would like to thank our College secretarial staff for their constant support.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programmes and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) programme. Our QA Programme is open to all registered doctors in Hong Kong and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for award of Certificate of Quality Assurance.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required, in addition, to observe criteria laid down by HKAM. The HKAM has revised their Principles and Guidelines on Continuing Medical Education (CME) and Continuous Professional Development (CPD). Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

For doctors taking the Medical Council Continuing Medical Education Programme for practising doctors who are not taking CME programme for specialists (MCHK CME) Programme, documentation of their participation in the MCHK CME Programme will be managed by HKAM, the administrator appointed by Medical Council of Hong Kong (MCHK) from 1 September 2008 while we will continue the documentation for their HKCFP QA Programme.

Starting from Year 2009, our CME/CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2012 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unfailing support.

Three submissions had been received for the Best Research Award 2012 and the selection panel consisted of two internal assessors. The winning paper was "Drug adherence and the incidence of coronary heart disease- and stroke-specific mortality among 218,047 patients newly prescribed an antihypertensive medication: a five-year cohort study" by Prof Martin C S WONG.

The 2013 HKCFP Research Fellowship had received five applications this year, all of good quality. The selection panel which consisted of two internal and one external assessors have selected the winner to be Dr Lorna NG. Her research project was "Effects of smart phone based telemonitoring on blood pressure (BP) among hypertensive patients in primary care setting".

During the year, the committee has discussed and agreed to establish two new funding awards; the Trainee Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and the Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

The year of 2012-2013 has been another year of smooth service. The web page was well received and suggestions on membership payment, online checking of CME points were attended to. The expertise of our Committee members, notably Drs Simon So and Alfred Tang, have proved most valuable. Extra ordinary length of time and energy were put in to maintain and upgrade the Web services. To meet with future needs, web server has been upgraded to afford heavier traffic to college website. Members can now enjoy the convenience of checking payments and receipts online. The new sections on media articles and media interviews serve as an archive where public can review members' contributions on various media in the past. We also added section on obituary, where deceased members and friends of the College will be remembered.

Looking forward, the member directory for public access is on the way. We would like to provide web accessible health information, which need the support from Public Education Committee. Apart from website, social channels for College such as Facebook and Youtube have been established to connect with members and the public.

We would like to welcome members from the College with interest in web and computer to join us. We would also like to thank the College staff for delivering the high quality support as usual.

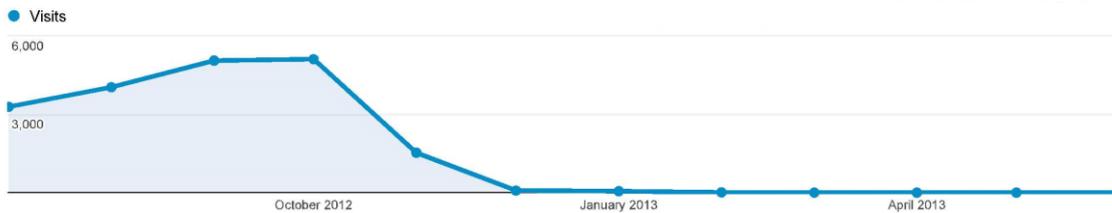

We look forward to another year of service.

The financial situation of our College remains stable for the year 2012-2013. With a current reserve valued in excess of HK\$17.5 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, Board of DFM, the Membership Committee, Specialty Board, Board of Conjoint Examination and Board of Vocational Training and Standards. For the Board of DFM, we obtained a surplus of HK\$1,926K (a 1,373% increase), which was mainly due to the cooperation with Macau Health Bureau to organize DFM in Macau, receiving 66 applications. Moreover, the DFM in HK also recorded an increase in the number of candidates, with 20 (11 more compared to last year). From membership committee, membership subscriptions generated an income of HK\$1.35 million (a 2% increase, as the number of Affiliate and Non-HK memberships increase drastically). From the board of conjoint Examination, we obtained a surplus of HK\$732K (a 15% increase). And from Board of Vocational Training and Standing and Standards, we recorded of surplus HK\$412K (a 22.7% reduction). The decrease in income was due to the number of basic trainees dropped in the past few years.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.21 million. The Board of Education saw a deficit of HK\$452K (a 21.7% reduction). The total cumulative expenses had increased by 18%.

On behalf of the board

Chairman

HONG KONG, 22 October 2013

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS  
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2013 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Council's responsibility for the financial statements**

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2013 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

#### 4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2012:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2013.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

For and on behalf  
of the Council

### AUDITOR

The financial statements have been audited by Messrs W. M. Moo who retires and, being eligible, offers himself for re-appointment.

On behalf of the Board

Chairman  
HONG KONG, 22 October 2013

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP EDUCATION LIMITED  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

I have audited the separate financial statements of HKCFP Education Limited set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2013 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Directors' responsibility for the financial statements**

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Basis for Qualified Opinion**

As explained in note 6 to the financial statements, the company has not prepared consolidated financial statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the shareholders. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

**Qualified opinion**

Except for the failure to prepare consolidated financial statements, in my opinion, the separate financial statements give a true and fair view of the state of the company's affairs as at 31 March 2013 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Unit 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

**3. SIGNIFICANT ACCOUNTING POLICIES**

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

#### 4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2012:Nil).

The company had no significant unprovided deferred taxation at 31 March 2013 and 2012 and for the years then ended.

At 31 March 2013, the company has unused tax losses of HK\$5,641,345 (2012:HK\$5,381,630) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2013.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

On behalf of the Board

Chairman  
HONG KONG, 22 October 2013

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP FOUNDATION FUND  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2013, the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Executive Board's responsibility for the financial statements**

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2013 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

**3. SIGNIFICANT ACCOUNTING POLICIES**

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

**4. TAXATION**

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

**5. EXECUTIVE BOARD MEMBERS' REMUNERATION**

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2012:Nil)

### 2. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives :

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

### 3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of allowable loss brought forward over the estimated assessable profits for the year. (2012:Nil)
