PRESIDENT'S MESSAGE (DR RUBY S Y LEE)

This is a very special year for our Hong Kong Primary Care Conference as it was held together with the bi-annual 4-Party (Hong Kong, Macau, Mainland China & Taiwan) General Practice/Family Medicine Conference on June 6-9, 2014. Primary care is the work of healthcare professionals who act as the first point of consultation for all patients. Central to the concept of primary care is the patient. It involves the widest scope of health care, including care for patients of all ages and all socioeconomic groups; patients seeking to maintain optimal health, and patients with various presentations of acute and chronic physical, mental and social health issues. These also include multiple chronic diseases. Family physicians provide not only services commonly recognized as primary care, but are

also coordinators of the overall healthcare services for our patients. Primary care strives to achieve health equity. This year, the Organizing Committee has chosen “With the Patients, For the Patients – Achieving Health Equity in Primary Care” as the theme of the conference. This conference served as a platform to address present and future challenges, and provided an opportunity for family doctors in the region to network and learn. The conference was a great success and also well attended by over 500 participants. I would like to thank our organizing committee and secretariat led by the co-chairmen Dr Lorna Ng and Dr William Wong for their dedication and hard work; the sponsors of the Conference; and the leaders in Family Medicine of all four parties for their support to make this Conference possible.

The first World Family Doctor Day was declared and celebrated on 19 May 2010. It has been taken up with enthusiasm around the world, offering us an opportunity to celebrate what we do. This initiative provides recognition to family doctors, as well as highlights important issues and the work we perform in supporting health care for all people in our local communities, our nations and around the world. This year, our College co-organized the event 「我的家庭醫生」 啟播禮 with the Primary Care Office (PCO) of the Department of Health and the Radio Television Hong Kong (RTHK). The 5-episode TV Drama series aim to promote family medicine with broadcasting on TV from 24 May 2014 onwards for five consecutive Saturdays at 7:30-8:00pm. The Public Education Committee also participated in the event with a patient on stage together to illustrate the importance and value of the continuous and person-centred care by a family doctor. I am deeply grateful to the Food & Health Bureau, PCO, RTHK and our Public Education Committee team including Dr Allan Ngan, Dr Mark Chan, Dr Amy Chan, Dr Loretta Chan, Dr Lambert Chan, Dr Cheung Kwok Leung, Dr Zabo Chung, Dr Ken Ho, Dr Timothy Hong, Dr Lam Wing Wo, and Dr Dana Lo for making this possible.

The Public Education Committee led by Dr Ngan Po Lun and his committee members delivers health education to the public through various channels including regular publications in various newspapers. Their hard work has greatly promoted our College's mission to the public. Besides this TV drama series, this year the Public Education Committee also published the fourth book 家庭醫生一百篇 in June 2014 following the success of the three books in 家庭醫學手冊 series. The book is a collection of selected articles published regularly in the Hong Kong Economic Journal (信報) and We Care Magazine (關心). I would like to thank the contribution of the editorial team of Public Education Committee and the authors to make it success.

Following last year success of our Diploma in Family Medicine course in Macau, With the vision of the Macau Health Bureau to strengthen family medicine training, the hard work of our Macau colleagues including Chief Family Physician Dr Chau Chi Hong, our DFM Board members, teachers, examiners and mentors under the leadership of Dr Simon Au, our diploma course has successfully launched in Macau. I would also like to thank Dr Wun Yuk Tsan for his tremendous contribution to revise the course materials and his generous donation to sponsor the Macau DFM Best Candidate Award. This was a fruitful year with a record high number of DFM students. 29 candidates completed the Course and were awarded The Certificate of Diploma in Family Medicine.

This is the 27th year of our Conjoint Fellowship Examination with the Royal Australia College of General

Practitioners. Dr Jennie Kendrick, Censor-in-Chief and Dr Kaye Atkinson, Censor were the visiting External Examiners from RACGP this year. I would like to thank the RACGP for her continued advice and support. I would also like to congratulate the Board of Conjoint Examination under Dr Peter Chan and his board members to have run the Examination flawlessly with their hard work, experience and wisdom. On the day of the OSCE Examination, examiners, candidates and staff worked together as a team wholeheartedly to this very important event which allows no mistake. There were 84 candidates sitting for this year's examination, with 73 and 11 candidates of Category I and Category II respectively. It was the tenth year that the College offered the "Best Candidate Award". From Conjoint Examination 2013 onwards, this award was renamed "Dr Peter C Y Lee Best Candidate Award" for commemorating Dr Peter Lee's contribution to the discipline of family medicine.

Family physicians have an important role in holistic care. Many of our sister Colleges, including the Royal Australian College of General Practitioners and Royal College of General Practitioners, have successfully reviewed their curriculum recently. We have also set up a working group to review our curriculum this year to best suit our community development and care delivery. With the evolving primary care environment, the ageing population, increased multi-morbidity, rise of e-health, the requirements of leadership and management, quality and safety concerns and the increasing role of teaching and research in family medicine within the context of multidisciplinary primary care, all present educational and training challenges, updating the curriculum is the first step on the path to incorporating these skills into the lifelong learning of family physicians. Curriculum renewal is an ongoing process because of the changing environment of medicine. We hope that the knowledge that our profession's body of learning will provide a sound basis for high quality primary care to Hong Kong.

With the consistent evidence that family physician system results in lower mortality, increased life expectancy, better self reported health, lower rates of admission to hospital, reduced health inequalities, and reduced costs, our College strives to promote family medicine in our country. The Board of Professional Development and Services (BPDS) was established in 2010 to provide family medicine educational activities for doctors outside Hong Kong. This year, led by Dr Lau Ho Lim, structured Continuous Medical Education (CME) Program was organized coordinated with Macau Health Bureau. The courses have received excellent feedback from attendants.

Our External Affairs Committee, led by Dr Gene Tsoi, invited by Rado Television Hong Kong (RTHK) to co-host the Programme Ad-wiser with a series of four parts on four consecutive Tuesdays from 1pm-2pm in January 2014. The second Oriental Family Doctor Forum was held in Shanghai on 5-6 July 2014 with the theme "A Brand New Era of Community Health: Practice and Exploration of Family Doctors' Services". The 2014 Forum was co-hosted by the Chinese Community Health Association, the Shanghai Medical Association and the Society of General Practice of Shanghai Medical Association. The Vice-President Dr Lau Ho Lim represented the College to participate in the panel discussion chaired by Prof Doanld Li on "Reviewing General Practice Progress in the Past Year; Blueprinting Primary Healthcare Development in Asian Pacific" with emphasis on family doctor training in China.

This year, the Specialty Board led by Dr Wendy Tsui has passed 21 candidates in the Exit Examination 2014 and submitted 20 fellowship nominations all approved by the Hong Kong Academy of Medicine.

The Board of Education led by Dr Mary Kwong and her board members has organized a great number of educational activities with good varieties. Their excellent work represents the good tradition of our College.

I am most delighted to find that many of our trainees are interested in research. Primary care is now a WHO priority with tremendous potential in research and publications. Besides our unique experience in health care, we are also part of China, a nation with an important role in world's health with emerging primary care. Hong Kong is also part of Southeast Asia, a global microsome with huge diversity. Primary care research can provide answers to many common clinical questions. The Research Committee under Dr William Wong and his committee members will continue to promote primary care research.

The Editorial Board under Dr David Chao and his board members, and the FP Links Committee under the Chairlady Dr Wendy Tsui and Chief Editor Dr Catherine Ng have worked hard to enable the quarterly

publications of our journal the Hong Kong Practitioners and the monthly publications of our FP Links respectively.

The Internal Affairs Committee led by Dr David Chao has successfully organized our 36th HKCFP Annual Dinner on 7 December 2013, the 27th Fellowship Conferment Ceremony and the 25th Dr Sun Yat Sen Oration on 8 June 2014. The Annual Dinner was well attended by 230 attendees and we are very honoured by the presence of Prof Michael Kidd - the President of Wonca and HKCFP Honorary Fellow (2009), Dr Garth Manning – CEO of Wonca World Council, Prof Chris van Weel – Past President of Wonca World Council and HKCFP Honorary Fellow (2009), Dr Maureen Baker – Chair of Council of Royal College of General Practitioners, Prof Daniel Thuraiappah – President Elect of Academy of Family Physicians of Malaysia, Prof Doris Young – HKCFP Honorary Fellow, Dr Monica Wong – Head of Primary Care Office, Department of Health, HKSAR, Mr Andrew Lau from the Sun Tak District Min Yuen Tong of Hong, Kong, College Board/Committee members and guests. It was a great opportunity for colleagues and friends to meet.

The 27th Fellowship Conferment Ceremony and the 25th Dr Sun Yat Sen Oration were successfully held on 8 June 2014 (Sunday). This year, the Ceremony was well attended by 252 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges. The 25th Dr Sun Yat Sen Oration of the HKCFP “Delivering Medical Care - Attempt to Think Out of the Box” was delivered by Prof John C Y Leong. This year, 24 HKCFP and 25 RACGP fellowships were conferred. Besides, 21 received their certificates of Exit Examination and 21 received our College Diploma of Family Medicine (DFM). I would like to express my warmest welcome to the new fellows and diplomates of Family Medicine of our College. The Dr Peter CY LEE Best Candidate in the Fellowship Examination 2013 was Dr Ho Shu Wan, The DFM Distinction Candidate was Dr Chau Ka Vai and the Macau DFM Best Candidate was Dr Amaral Vanessa. The Best Research 2013 was awarded to Dr Chin Weng Yee. Her research topic is “The Epidemiology and Natural History of Depressive Disorder in Primary Care”. The Research Fellowship 2014 was awarded to Dr Sit Wing Shan.

Many council members have also contributed through representation of our College in various professional committees including –

- Dr Angus Chan in the Education Committee of the Hong Kong Academy of Medicine, CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings;
- Dr Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols, Primary Care Directory, Task Force on Primary Care, and Delivery Models, Working Group on Primary Care, WONCA International Classification Committee;
- Dr Peter Chan in Working Group on Alcohol and Health, Steering Committee on Prevention and Control of Non-communicable Diseases;
- Dr Chan Wing Yan in Advisory Group on Health Effects of Use of Internet and Screen Media Devices;
- Dr Lau Ho Lim in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes, Self Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee, CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings, and University of Hong Kong Health Services Committee;
- Dr Billy Chiu in Subgroup on Professional Development for Primary Care Directory Enrolled Doctors and Dentists; Working Group on Defining High-Risk Medical Procedures / Practices Performing in Ambulatory Setting; Colorectal Cancer Screening Pilot Programme Task Force; and the Cancer Expert Working Group (CEWG) on Cancer Prevention and Screening;
- Dr Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project;
- Dr David Chao in the Scientific Committee of Hong Kong International Cancer Congress;
- Dr Mary Kwong in the Resuscitation Council of Hong Kong;
- Dr Marcus Wong in the Occupational Health Advisory Committee, etc.

The hard work of our secretarial staff led by Ms Erica So, Business Manager Dr Mary Kwong, House Management, Quality Assurance & Accreditation Committee under Dr Billy Chiu, Finance Committee under Dr Quincy Yuen, Council Member on Duty System under Dr Tony Lee, Web & Computer Committee under Dr Mark Chan, and Membership Committee under Dr Chong Man Yuk has enabled the daily operation of our College.

Last but not least, I must thank my Chief Censor Prof Cindy L K Lam, Censors Dr Stephen K S Foo and Prof Donald K T Li, and Immediate Past President Dr Gene Tsoi for their valuable advice and guidance; my Executives Drs Angus Chan, Lau Ho Lim, Billy Chiu, Quincy Yuen, and all council members who shared a lot of the duties and assignments. I have to thank all the secretariat staffs under Ms Erica So for their dedication and hard work.

HONORARY SECRETARY'S MESSAGE (DR BILLY C F CHIU)

This year, the College has put its focus back on the local development and promotion of quality primary health care to the Community.

It is indeed a fruitful year for our Public Education team. We have our first trial of participating in TV drama production. The 5-episode TV series of “May Family Doctors” produced by the Radio Television Hong Kong (RTHK), in collaboration with the Primary Care Office of the Department of Health aimed to promote family medicine, had been broadcasted in TVB Jade in five consecutive Saturdays in May. Also, our fourth Chinese Book 《家庭醫生一百篇》 was published in the same month in celebration of the World Family Doctor Day. This book assembled the selection of the articles in the weekly column of Hong Kong Economic Journal in the past few years, contributed by 22 members of the College. The book serves as a good platform from members to share the stories with their patients on the key role of family physicians in the health care system.

2013 ended the CME/CPD triennium cycle. The College has continued the QA reciprocal recognition programme with the Royal Australian College of General Practitioners (RACGP) for the new CME/CPD triennium cycle. Members who are planning to apply for QA reciprocal recognition programme with RACGP should be aware that at least one CPR activity in the CME/CPD triennium cycle is required by RACGP.

With an aging population and increasing multimorbidity, many of our sister Colleges, including RACGP and RCGP, have successfully reviewed their training curriculum recently. The College Council reckoned that our Curriculum had to be updated in order to match the need of the changing environment. The Board of Vocational Training & Standards has started the working group to review the training curriculum.

We have a very special Hong Kong Primary Care Conference as it was held together with the bi-annual 4-Party (Hong Kong, Macau, Mainland China and Taiwan) General Practice / Family Medicine Conference in June. The Conference was a great success and also well attended by about 700 participants including doctors, nurses, and allied health professions. A quarter of them were from overseas.

We lost our Founding President Dr Peter C Y Lee in December 2013. Dr Peter Lee was known as the Father of Family Medicine in Hong Kong, he was the one to make Family Medicine as it is today. His passing away is a great loss to all of us who are involved in the promotion of the discipline and service of family medicine in HK. The Board of Conjoint Examination proposed to rename the best candidate award in honor of Dr Peter Lee, and this proposal was endorsed by Council in January. Thus, in the 27th Fellowship Conferment Ceremony of the HKCFP and RACGP, we have our first Dr Peter CY LEE Best Candidate.

It was also a memorable year for the 27th Fellowship Conferment Ceremony. Not only the local officials, university colleagues, academic sister colleges joined the occasion, we also have guests from Macau, Mainland China and Taiwan, joined hands in celebrating the joyful moment. The ceremony was concluded by Professor John Leong, the Chairman of the Hong Kong Hospital Authority, delivering the 25th Dr Sun Yat Sen Oration entitled “Delivering Medical Care – Attempt to Think Out of the Box”.

Wonca Asia-Pacific Regional Conference 2014 was held in May in Kuching Malaysia. The Conference attracted over 1000 delegates from different regions. Same as usual, we have our delegations sponsored by the College to participate this four day conference. Our Past President Dr John Chung represented the College in speaking a Mandarin symposium on GP training in China which was specially prepared for delegates from China.

The 2nd Oriental Family Doctor Forum co-hosted by the Chinese Community Health Association, the Shanghai Medical Association and the Society of General Practice of Shanghai Medical Association, was held in Shanghai in July this year. Our Vice President Dr Lau Ho Lim represented the College to deliver a plenary speech and participated in a Panel discussion with emphasis family doctor training in China.

Owing to the possible urban redevelopment of Windsor House Building in the foreseeable future, and the relocation of the secretariat head office as required by HKAM, we have merged both secretariat offices to one new office in HKAM since October 2013. Merging is a feasible and good way to reduce duplicated operation costs including manpower costs, office equipment and telecommunications costs. The Wanchai office is now serving mainly as the venue for meeting/function, which saves the rental cost on some activities. Meanwhile, we believe the secretariat work efficiency and productivity will be increased when all secretariat staff stationed in the same office.

It remains for me to thank members and fellows for their supports and contributions, as well as the dedicated Secretariat team and in particular, the Executive Manager, Ms Erica So for their hard work and focus in what was indeed a very busy year for the College.

Members can refer to the more detailed reports of each Board and Committee in the following pages.

The Examination

The format of the 27th Conjoint Examination 2013 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE 7 July 2013 (Sunday)
- 2nd Examiner Training Workshop for OSCE 4 August 2013 (Sunday)
- Workshops on Standard Setting for MCQ examination paper 1 & 2 September 2013 (Sunday & Monday)
- Workshop on Standard Setting for KFP examination paper 8 September 2013 (Sunday)
- KFP Marking Sessions 13, 14 & 15 September 2013 (Friday, Saturday & Sunday)
- Case-writing Group Meetings for OSCE 6 May and July - August 2013
- 3rd Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 6 October 2013 (Sunday)

Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 23 June 2013. 21 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

For the first time, candidates this year were invited to the rehearsal for OSCE on 6 October 2013 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 21 candidates attended. The feedback received was positive. The Board will consider repeating similar arrangement in following year.

The Conjoint Fellowship Examination

Written Segments:

MCQ	1 September 2013 (Sunday)	HKAM Jockey Club Building
KFP	8 September 2013 (Sunday)	HKAM Jockey Club Building

Clinical Segment:

OSCE	27 October 2013 (Sunday)	Princess Margaret Hospital
------	--------------------------	----------------------------

External Examiners from RACGP

Dr Jennie Kendrick (Censor-in-Chief) and Dr Kaye Atkinson (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 27 October 2013.

Number of candidates

There were altogether a total of 84 candidates sitting for this year's examination, with 73 and 11 candidates of Category I and Category II respectively.

51 candidates sat for the Written Segments (43 Cat I and 8 Cat II candidates), while 39 candidates sat for the Clinical Examination (32 Cat I and 7 Cat II candidates).

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.

3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to the minimal number of persons.
4. Strict adherence to the security protocol for the OSCE examination by all examiners (including strict prohibition of electronic transference of examination materials).
5. Sharing cases with RACGP to widen our examination case bank.
6. Presentation of OSCE examination materials to examiners only on the day of examination.
7. Continual appeal to the professional integrity of all involved in running the examination.
8. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE examination.
9. Forbiddance of use of any electronic devices by candidates inside examination venue.
10. Prompt data entry of candidates’ scores on the same day of examination.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

CHAIRLADY'S MESSAGE

During the year 2013-2014, the Board, similar to previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video-Viewing Session

For the period of 2013-2014 we arranged 11 video sessions in our Wanchai College premises on a monthly basis. Video Library have been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Understanding Fats: Good VS Bad
- Therapeutic Strategies to Prevent Diabetic Nephropathy – The ROADMAP Study Is BP < 120/70 mm Hg a Good Control?
- Depression & Anxiety Management
- Management of Insomnia & the use of Hypnotics
- Traditional Chinese Therapy & Dermatitis
- Treatment of Sputum. Old is New
- Glycemic Index – Non-Alcoholic Fatty Liver Disease
- Statin Benefit Beyond Lipid Lowering
- Updates on Management of GERD & H.P. Eradication
- Practical Approach to LUTS or BPH
- Otolaryngology – Head and Neck Surgery
- The Latest Understanding and Treatment of hallux valgus deformity
- Mental Illness & Suicide: Clinical Assessment & Treatment
- Ketamine Associated Ulcerative Cystitis

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. The participants will have the feeling of attending the luncheon meeting while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 156. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr CHENG Chun Ho and Dr PUN Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2013-2014. We have 55 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support, which is also accredited by the Resuscitation Council of Hong Kong this year.

The Board would like to express our sincere thanks to Dr David S L CHAN, Dr KONG Che Wan and Dr WONG Pak Hoi in co-ordinating and Dr AU-YEUNG Shiu Hing, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr Ko Siu Hin, Dr KWAN Man Woo, Dr Michael C H KWOK, Dr Peter K Y LEE, Dr Daniel C Y LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr So Siu Hei, Dr SUNG Tai Wai, and Dr WONG Ka Wah for being the examiners.

Clinical Attachment

Being the Chairlady, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes - United Christian Hospital
 ENT - Department of Otorhinolaryngology, Head and Neck Surgery, CUHK

The Board would like to express our sincere thanks to Dr TSANG Man Wo, Dr Grace HUI, Dr Elaine CHEUNG, Dr HUNG Chi Sang, Dr Grace KAM, Ms Maisy MOK and staff of United Christian Hospital. Professor C A van HASSELT, Prof Michael Tong, Dr John WOO and the staff of their departments for organizing our clinical attachments in Prince of Wales Hospital. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her 14th year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard of participating doctors on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination. One written session is included in AEC programme this year to help the participants to prepare the written session of Conjoint Examination. The candidates are allowed to attempt OSEA sessions only after they have passed the written session of Conjoint Examination.

The Board would like to express our sincere thanks to Dr Janet C Y TAM in co-ordinating and all tutors as follows: Dr CHAN Man Li,

Dr CHUNG Kin Wing, Dr FOK Peter Anthony, Dr HO Ka Ming, Dr Susanna L L HUNG, Dr LAI Sheung Siu, Dr Peter K Y LEE, Dr LO Tsz Yan, Dr Allen H Y NGAI, Dr TAM Ho Shan, Dr John H TAM, and Dr WONG Chun Fai.

Post AEC Training Course

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC candidates especially Category II candidates to help them to form study groups and to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support and tutors. The Board would like to express our sincere thanks to the Co-ordinator, Dr Peter K Y LEE and all the tutors: Dr Gordon Y M LEUNG and Dr Peter T K NG in donating their time and effort in this course.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 33 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 150 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year 2014.

Those members, who cannot attend the lectures that they are interested in, can re-visit through seeing the videotape in our Wanchai premise. Our College plans to upload these lectures and Updates on to the website for Board of Education so that all members could access at home.

The Board would like to thank all those members for giving us comments or returning evaluation forms after attending the lectures or Updates. Their valuable comments would enable the Board to arrange lectures to meet the learning needs of our members in the future. Again, members are encouraged to submit their CPD logs after attending these lectures and Updates to gain additional CPD points.

Professional Development Subcommittee

Since 2005, eight Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Interest Group in Evidence-based Medicine (EBM)

The eighth Interest Group, namely Evidence-based Medicine (EBM) Interest Group is newly formed this year. The main goal is to let all members know what is EBM and how to practise it, either in preliminary or advance level. Our members should practice evidence based medicine, especially Family Medicine is a specialty. One to two EBM workshops will be kept on running every year to train our members on EBM. We cannot cover all topics related to medicine. We can limit to 5 topics every year, including the current hot topics and topics brought up by members in our workshops.

The Interest Group in EBM Programme Schedule:

Date	Topic	Speaker
17 Aug 2013 (Sat)	Introductory Workshop on Evidence-based Medicine (EBM)	Dr Mark S H CHAN Dr Kinson K S LAU Dr Francis W T LEE Dr Katrina W K TSANG

The Board would like to take the opportunity to thank the co-ordinator, Dr Francis WC Lee and members of EBM Interest Group, Dr Mark S H CHAN, Dr Kinson K S LAU, and Dr Katrina W K TSANG for their contributions.

The Interest Group in Dermatology scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2013. We had 5 meetings in 2013. Those who have attended 80% of the activities annually would be awarded the certificate of attendance. 35 participants were awarded certificates in the year 2013.

The Interest Group in Counselling

Counseling is a professional relationship that empowers diverse individuals, families, and groups to accomplish mental health,

wellness, education, and career goals. Counseling skills are important in daily management of our patients on the aspects of health education, such as life style modification. Counseling is one of the effective means for developing human potential. Interest Group in Counseling is established and will provide some training to the beginners and sharing of experience with expertise and members, who are interested in Counseling.

The Interest Group in Medico-legal Alert

Since 2008, Board of Education has been planning to arrange some structural training courses under Professional Development Subcommittee for our members, especially on the aspects that are important in our discipline and yet seldom touched in our training. Without doubt, Practice Management is an essential part of a good general practice. Training Course on Practice Management, arranged under the Interest Group of Medico-legal Alert is the first one to start off and is overwhelming welcomed. After Part A of the Training Course on Practice Management, the Board has organized an addition Part B segment "Practice Management Attachment Course in Private Sector" of the Practice Management training Course this year, to help the participants to consolidate the fundamental knowledge they have gained and the practical experience of Practice Management in private setting.

Training Course: Training Course on Practice Management (Part B) - Practice Management Attachment Course in Private Sector

The clinical attachment in private practice is aimed at sharing hands-on experience in practice management within the private sector in which the majority of primary health care is provided in our locality. The two clinic visits for 42 participating doctors were held from March 2013 to February 2014.

Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details have been published in the College Journal since May 1998.

Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board to organize the various Community Education Programmes, which are open to all our College members and will be: announced in the Board Education News every month.

- Hong Kong Medical Association
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members are welcomed to attend these programmes which are free and CME points are accredited.

Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training of Family Medicine. It's divided into 14 module and trainees should be attended at least 15 hrs for each module. It is also open to all College members and will be awarded CME credit points when attending the programme. I would like to thank the following hospitals in organizing the various Structured Education Programmes for our College members:

- Tuen Mun Hospital
- Pamela Youde Nethersole Eastern Hospital
- Tsan Yuk Hospital
- Prince of Wales Hospital
- United Christian Hospital
- Tseung Kwan O Hospital

Self-Assessment Correspondent Programme

MCQ papers

MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.

Acknowledgement

Stepping into the tenth year as chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. We have a capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staffs, Mr John LEE, Ms Yvonne LAM and Ms Teresa LIU for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

This course was organised with the request from the Macau Health Bureau aiming at strengthening the knowledge of primary care in Macau doctors. It is a three-year project and we have now reached the second year. The course went smoothly and successfully with excellent feedback from those who attended the course. Certificates of attendance were issued to those who have attendance of at least 80%.

Continuous Medical Education Programme – coordinated with The Chinese University School of Continuing and Professional Studies (香港中文大學專業進修學院):

Two groups of doctors and health care workers and officials from Mainland China visited HKCFP and HKAM on 14 March 2014 and 2 July 2014 respectively. The visits were organized by The Chinese University School of Continuing and Professional Studies. Dr Catherine Chen delivered a lecture on “HKCFP and Family Medicine in Hong Kong” in each of their visits.

Organizers: BPDS, HKCFP and The Chinese University School of Continuing and Professional Studies

Dates: 14 Mar 2014 and 2 Jul 2014

Format: 4 hours of lecture and Q&A for each visit

Topics:

1. Introduction of HKAM
2. Introduction of HKCFP
3. Training of Family Physicians in Hong Kong

Speaker:

Dr Catherine X R CHEN

This activity was organized with the request from The Chinese University School of Continuing and Professional Studies with the aim of providing Zhejiang delegates an insight into the structure of the HKCFP and HKAM, and the training of family physicians in Hong Kong. It received excellent feedback from the participants and further enhanced the image and status of our College as the standard setter of family physician training in Hong Kong.

CHAIRMAN'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members have to share the responsibilities of BVTS such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2014 are as follows:

New enrolled Basic trainees	:	24
New enrolled Higher trainees	:	18
Total Basic trainees	:	113
Total Higher trainees	:	54

A working group, namely, Training Curriculum Review Subcommittee has been newly formed this year to review the current curriculum. I would like to thank you the President Dr Ruby Lee for chairing the subcommittee, and the subcommittee members for their input during the review process.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme. I also would like to express my gratitude to our secretaries Carmen and Brian who are all

committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

CHAIRMAN'S MESSAGE

The Hong Kong Practitioner continued as a quarterly publication with 15 manuscripts published over the year. Among the published manuscripts, 27% were original research articles, 40% were update articles, 20% were discussion papers and the remaining ones were editorials.

We would like to thank the contributing authors, our editorial board members, business manager, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their dedications and support over the year. We strive to provide relevant clinical updates for busy family physicians and put together articles with related topics as theme issues in the coming year

Dr YUNG Yin Ying

The Board had organized Pre-Exit Examination Training Workshop and Post-Examination Evaluation Workshop after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 20 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. We have organised different types of CME activities for our members. Several training courses, namely Counselling Training Course, Practice management Training and Cardiopulmonary Resuscitation (CPR) Training Course. The practical workshops of Diploma of Family Medicine namely Consultation Skill Workshop, Women's Health Workshop, Orthopaedic Injection Workshop, Musculo-Skeletal Medicine, Counselling Skill are open to all our College members with good attendance. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Examination and Specialty Board. The Hong Kong Primary Care Conference 2013 with the theme "Innovations in Primary Care", was held on 16 June had more than 400 participants. The regular bi-monthly activities, Dermatology and Mental Health Interest Groups are most welcome by our members. Assessment Enhancement Course has been extended to include Written Enhancement Training Course and Post AEC Training Group. Diabetes Clinical Attachment, ENT Clinical Attachment, Annual Refresher Course are also successfully arranged by Board of Education. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We had a memorable evening of 36th Anniversary Dinner held on 4th December, 2013 at Jade Garden Restaurant, Star House, and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Langham Place Hotel, Eaton Smart Hong Kong, Nestle Hong Kong Limited and Galderma Hong Kong Limited for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The Family Physicians Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

CME/CPD Reports for the Cycle ending 31 December 2013

All Colleges have submitted their CME/CPD reports for the cycle ending 31 December 2013. Of the 15 colleges:

- a) Non remediable non-compliant: 9
- b) Remediable non-compliant: 109
- c) Pending: 104

Fellows who have not obtained the required points but fall within remediable category will be required to complete their remedial within 12 months. Please be reminded their Fellowship (FHKAM) will be removed if they cannot complete the remedial by the deadline.

In response to the question raised on rounding up decimal points for CME/CPD counting, EC agreed that Fellows should require to obtain the exact points as required and decimal points should not be rounded up for counting. EC confirmed that the number of points, while shown in integer, in the shortage column of the online report was for reference only. The exact number of points obtained by Fellows would be taken into consideration when considering CME/CPD compliance.

CME/CPD 2014-16 guidelines

In consideration of those Fellows in private practice who would have difficulty participating in audit activities, the Academy's 2014-16 guidelines only suggested that Colleges may recommend their Fellows to include 5 points in QA and audit which is not yet mandatory.

Nomenclatures of Procedures and Operations Promulgated by Colleges of HKAM

At the request of MCHK, Colleges provided a list of nomenclatures of procedures and operations (in English and Chinese) for promulgation at the MCHK website. The list was prepared about 10 years ago.

The Medical Council in "Guidelines on Service Information Notices" of the Code of Professional Conduct requires that medical practitioners when quoting medical services, procedures and operations in the Service Information Notice should follow the nomenclatures of procedures and operations promulgated by Colleges of the Hong Kong Academy of Medicine, whenever such a list is available. The purpose of such requirement is to ensure that common term will be used by doctors in order to avoid misleading information and confusion to the public. HKCFP had discussion in the College Council for some discrepancies in Chinese translation and updated accordingly.

Training and Accreditation in Genetics and Genomics

Following the discussion last year within EC, representatives from Academy Colleges, HA and DH and generally agreed that some knowledge of genetic and genomic should be needed by different specialties. While individual Colleges might include this in their training curriculum, it was agreed that cross-college post-fellowship training could be considered. Concern was also raised on job opportunities for trained personnel. EC agreed to form a working group comprising representatives from Colleges. Colleges are welcome to nominate representatives to this working group.

Rotation of Training

In consideration of setting up a more flexible policy for the period during which a trainee has been rotated out to other specialties can be accepted as recognized training within the basic training period, it is suggested that an analysis of the curriculum of individual colleges could be done to identify if there are training modules commonly accepted by different Colleges so as to facilitate the training rotation arrangements. It is believed that this can help encourage trainees to gain broader exposure.

Department of Health in its 5th issue of eHealth News - an eNewsletter on Electronic Health Record Sharing System (eHRSS) interview the Chairman Dr Gene Tsoi on the issues about private practitioners' preparation for the implementation of eHR Projects, their collaboration with other HCPs, as well as views sharing on the future family medicine after the eHRSS is launched.

In eHealth News' previous issues, they had interviewed Dr CP Ho (HK Medical Association), Dr CM Wong (Medical Superintendent, St. Teresa's Hospital), Dr Anne Kwan (Hospital Superintendent, Evangel Hospital), Dr Johnny Wong (HK Dental Association), and several other experienced medical practitioners and administrators in the public healthcare sector. The rich and diverse experience from the eminent professionals in the entire field had provided multi-faceted perspectives to us on how best to address the unique features of the private and public sectors when launching the eHRSS in Hong Kong.

The second Oriental Family Doctor Forum was held in Shanghai on 5-6 July 2014 with the theme "A Brand New Era of Community Health: Practice and Exploration of Family Doctors' Services". The 2014 Forum was co-hosted by the Chinese Community Health Association, the Shanghai Medical Association and the Society of General Practice of Shanghai Medical Association. The Vice-President Dr Lau Ho Lim represented the College to participate in the panel discussion on "Reviewing General Practice Progress in the Past Year; Blueprinting Primary Healthcare Development in Asian Pacific" with emphasis on family doctor training in China.

Wonca Asia-Pacific Regional Conference 2014 was jointly organized by Wonca and the Academy of Family Physicians of Malaysia on 21-24 May 2014 at the Borneo Convention Centre Kuching in Malaysia with the theme Nurturing Tomorrow's Family Doctors. Our Past President Dr John Chung represented the College in speaking in a Symposium on GP Training in China. This Symposium was specially prepared for delegates from China featuring three presentations on GP Trainings, from Shanghai, Hong Kong and Taiwan, respectively.

WONCA International Classification Committee 2014 Meeting was held in Lisbon, Portugal, at Tryp Lisboa Oriente Hotel from September 6 – 11. The agenda of this annual Meeting was all focused on the revision and development of ICPC-3.

As always, I must thank all those who have contributed their precious time and energy in the various activities under this Committee. Thanks my Committee Members Dr Catherine Chen and Prof Samuel Wong for their unfailing support in our future commitment to promote Family Medicine in Hong Kong, China and globally. Lastly, my personal appreciation to our Secretariat for the liaison and preparation work under Erica is of vital importance to make things easier for me.

With careful monitoring by the Finance Committee, the financial situation of the College in 2013-2014 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$16 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 12% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Ruby S Y Lee, our President, Dr Lau Ho Lim, our Vice President (General Affairs), Dr Angus Chan, our Vice President (Education & Examinations), Dr Billy Chiu, our Honorary Secretary, Ms Erica So, our Executive Manager and Mr Marco Cheng, our Administrative Assistant, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 20 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work as a cohesive team to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, to name a few, photo gallery of college events, introduction of college committees, features of primary care initiatives and latest health related news, and inspiring articles of life wisdom. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

CHAIRMEN MESSAGE

The 4th Hong Kong Primary Care Conference (HKPCC) was successfully held together with the bi-annual 4-Party Conference on 6-9 June 2014 attracting over 500 delegates including doctors, nurses and allied health professionals, with about a quarter of them from overseas. This year's theme "With the Patients, For the Patients - Achieving Health Equity in Primary Care" highlighted the importance in aspiring to achieve health equity in healthcare delivery in primary care. This event featured an exciting blend of 4 plenary sessions, 3 workshops, 4 seminars, 2 satellite seminars, 2 lunch symposium, 1 dinner symposium, clinical case presentation, oral and poster presentations. Moreover, site visits to HKWC Tsan Yuk CHC network model (including the Nurse & Allied Health Clinic and Risk Assessment & Management Clinic) and Family Medicine & Primary Care Centre in Hong Kong Sanatorium & Hospital was also arranged to add more insights into recent primary care developments in Hong Kong. This conference has actualized its role as a fertile platform for bringing together policymakers, clinicians and healthcare professionals in addressing present and future challenges in achieving health equity as a key goal.

On the whole there were lots of interaction and the atmosphere was friendly. Evaluation forms were distributed during the conference. Looking at the feedback, the majority of delegates showed satisfaction to the conference (range from 75-92% satisfied) and found useful to their clinical work/ practice. On behalf of the Organizing Committee, we would like to take this opportunity to express our sincere appreciation to the officiating guests, speakers, international and local advisors for their guidance, and moderators for their valuable support as well as the sponsors for their generosity, all members of the Organizing Committee, secretariat and the HKAM Conference Event Organizing team for their hard work, last but not the least, all the delegates for the participation which have made the conference a big success.

Personnel :

Staff Movement

Owing to the possible urban redevelopment of Windsor House Building in the foreseeable future, and the secretariat head office relocation, the Committee hereby merged both secretariat offices to the new office in HKAM.

The College secretariat at HKAM has been relocated at Room 803-4, 8/F, HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen since 9 October 2013 which accommodates all the 13 Secretariat staff. The Secretariat at Wanchai has been no more available for correspondence.

We had a steady year in 2013 with minimal staff movements. The Assistant Mr Richard Li and the Admin Executive Ms Yvonna Lam resigned in November 2013 and March 2014 respectively. Moreover in December, Ms Rosina Chan joined the Secretariat as an Administrative Assistant.

I would also like to thank the Executive Manager Ms Erica So for her continued leadership and the secretarial team for their generous support in the past years.

Grading & Salary Structure

The grading and salary structure have been discussed and reviewed. Increment has been granted to staff that performed satisfactorily.

Annual Dinner

The 36th Annual Dinner was held on 7 December 2013 (Saturday) at Jade Garden Restaurant, 4/F, Star House, Tsimshatsui, Kowloon.

The Annual Dinner was well received by 198 participants including our Council members, College Board/Committee members, their spouses and family members, guests from overseas academic colleges, and guests from different collaborative organisations. It provided a golden opportunity for us to meet and communicate.

Successful candidates of Conjoint Examination, Exit Examination were invited to share their experiences with our members and guests, including Dr HO Shu Wan, a successful Conjoint Fellowship Examination candidate, and Dr CHUNG Sze Pok, a successful Exit Examination candidate.

The Internal Affairs Committee wishes to thank Dr Ruby S Y LEE, our Council members, collaborative organisations, hotels and the Printhouse for supporting and sponsoring the prizes in the Lucky Draw, Dr Kathy K L TSIM and Dr FOK Peter Anthony the Masters of Ceremony of the Annual Dinner, and our secretariat who gave their time and effort in making the Annual Dinner a great success. We would like to express our gratitude towards Dr CHAN Hung Chiu, Dr CHAN Ting Bong, Dr John T N CHUNG, Dr Kenny KUNG and Mr Louis KUNG, for their musical performances on stage. In addition, we would like to thank Dr LO Ling who had again volunteered to be our additional photographer for the occasion.

Conferment Ceremony

The 27th Fellowship Conferment Ceremony and the 25th Dr Sun Yat Sen Oration were successfully held on 8 June 2014 (Sunday) at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

This year, the Ceremony was well attended by 252 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges.

Professor John C Y LEONG, Chairman of the Hospital Authority, delivered the 25th Dr Sun Yat Sen Oration entitled, "Delivery Medical Care – Attempt to Think Out of the Box".

The Internal Affairs Committee would like to thank Dr Ruby S Y LEE, Dr Angus M W CHAN, Dr LAU Ho Lim, Dr Billy C F CHIU and Dr Quincy S M YUEN for their continuing support and advice during the preparation. We are most grateful towards the tremendous team of helpers, including Dr Kathy K L TSIM, the Public Orator; Dr KO Wai Kit, the Ceremony Coordinator; Dr CHAN Chi Wai, Dr Eric M T HUI, Dr KWAN Yu and Dr WONG Chak Tong, the Marshalling Officers; and Dr FOK Peter Anthony, Dr Kinson K S LAU, Dr Matthew M H LUK and Dr Jenny H L WANG, the Ushers. They have contributed their time and effort to ensure the smooth running of the Ceremony and are keys in making it a true success. Last but not least, we would like to express our gratitude towards our College Secretariat for their dedication and enthusiasm towards the College events.

MEMBERSHIP COMMITTEE

Chairman/lady : **Dr CHONG Man Yuk (From December 2013 onwards)**
Dr CHEUNG Man Kuen (Until in December 2013)

The current membership of HKCFP is as follows: - (as in May 2014)

Fellows *	670 (HKAM Fellows: 396)
Full Members	217
Associate Members	571
Others **	90
Total:	1548

* Fellows include Fellows, Foundation Fellows, Hon Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2013, there is no doctor seeking our advice on professional performance.

I would like to thank our College secretarial staff for their constant support.

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup published articles regularly in the Hong Kong Economic Journal (信報) and We Care Magazine (關心). There were published articles amounted to 434 for the Hong Kong Economic Journal and 47 for the We Care Magazine till end of July 2014.

Following the success of the three books in 家庭醫學手冊 series, the Committee published the fourth book 家庭醫生一百篇 in June 2014. The Committee would like to thank you the contribution of the editorial team and the authors to make it success.

The Committee also has the most valuable opportunity to promote family medicine by having the TV drama series, 'My Family Doctor' (我的家庭醫生), in close collaboration with the Radio Television Hong Kong (RTHK) and the Primary Care Office, Department of Health. The series of 5 episodes of TV drama are highly acclaimed by the public and the profession, and demonstrate the unique role of family physicians for a healthy community.

The Committee continued to carry out public education activities through different channels and events and they were listed at the end of the report. I would like to thank all those who had offered their assistance in the past year and our excellent administrative support from the secretaries.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programmes and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) programme. Our QA Programme is open to all HKCFP college members and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for award of Certificate of Quality Assurance.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required, in addition, to observe criteria laid down by HKAM. The HKAM has revised their Principles and Guidelines on Continuing Medical Education (CME) and Continuous Professional Development (CPD). Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

For doctors taking the Medical Council Continuing Medical Education Programme for practising doctors who are not taking CME programme for specialists (MCHK CME) Programme, documentation of their participation in the MCHK CME Programme will be managed by HKAM, the administrator appointed by Medical Council of Hong Kong (MCHK) from 1 September 2008 while we will continue the documentation for HKCFP QA Programme.

Starting from Year 2009, our CME/CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2013 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unflinching support.

RESEARCH COMMITTEE

Chairman : Prof William C W WONG

Honorary Advisors: Prof Cindy L K LAM Prof Doris YOUNG

Committee Members: Dr David V K CHAO Dr Judy G Y CHENG
Dr CHEUNG Man Kuen Dr CHIN Weng Yee
Dr Billy C F CHIU Dr Antonio A T CHUH
Dr FU Sau Nga Dr LIANG Jun
Dr Yvonne Y C LO Dr Lorna NG
Dr WUN Yuk Tsan Prof Martin C S WONG

Ex-officio: Dr Ruby S Y LEE (President)

Dr LAU Ho Lim (Vice-President, General Affairs)
Dr Quincy S M YUEN (Honorary Treasurer)
Dr Billy C F CHIU (Honorary Secretary)

Staff: Mr John H Y LEE (Senior Administrative Executive)

Five submissions had been received for the Best Research Award 2013 and the selection panel consisted of two internal assessors. The winning paper was "The epidemiology and natural history of depressive disorders in primary care" by Dr CHIN Weng Yee.

The 2014 HKCFP Research Fellowship had received one application this year. The selection panel which consisted of one internal and one external assessors have selected the winner to be Dr Regina SIT. Her research project was "Efficacy of patella mobilization therapy in knee osteoarthritis: a randomized controlled clinical trial".

The Committee has established two new funding awards; the Trainee Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and the Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector. Dr YIU Yee Ki and Dr Denise TAM have been awarded this year's Trainee Research Fund; Dr Peter LEE and Dr CHIANG Lap Kin have been awarded the Research Seed Fund. Both awards were evaluated by one internal and one external assessor.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

Mr Oscar T H KWAN (Administrative Executive, to 4 July 2014)

The last year 2013-14 we saw a year of successful activities in our College and the Web served its function as means of communication for information and storage. While we enjoy the convenience of web and internet functions, we also have an inevitable experience of being hacked by unknown source. I would like to thank the expertise of our Committee members, especially Dr Simon So and Administrative staff in dealing with this emergency. The normality was restored in the earliest moment and subsequently security areas attended to ensure no leakage of members' data. While the long waited member directory for public access is still not realised, mainly because members consent and privacy principle are the highest priority in our preparation. Despite our most sincere motive, we are reminded of possible breach and have to proceed with care. During the year, we have conducted a workshop on how to provide web accessible health information, aiming to equip the web with public health interest.

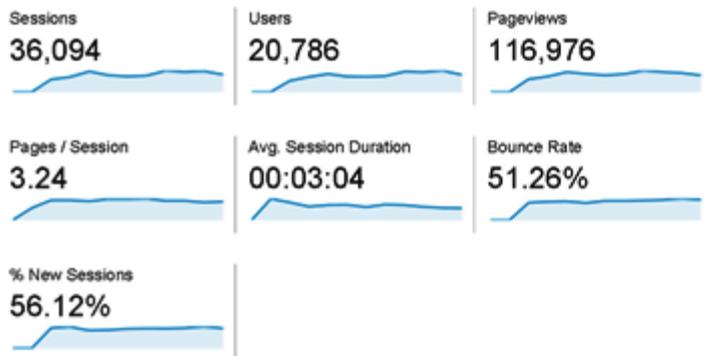

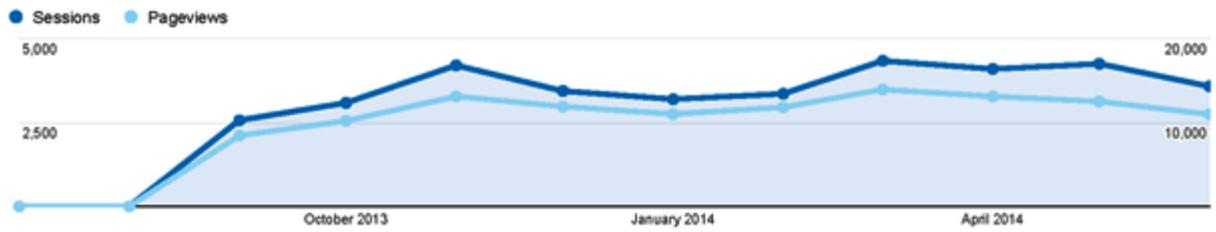

We would like to welcome members from the College with interest in web and computer to join us. We would also like to thank the College staff for delivering the high quality support.

We look forward to another year of service.

The financial situation of our College remains stable for the year 2013-2014. With a current reserve valued in excess of HK\$16.2 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Specialty Board and Board of Vocational Training and Standards. For Membership Committee, membership subscriptions generated an income of HK\$1.3 million. From the Board of Conjoint Examination, we obtained a surplus of HK\$775K (a 5% increase). For Board of Vocational Training and Standards, we recorded of surplus HK\$448K (a 5 % increase).

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.35 million. The Board of Education saw a deficit of HK\$709K (a 55% reduction). The total cumulative expenses had increased by 16%.

On behalf of the board

Chairman

HONG KONG, 17 October 2014

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2014 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Council's responsibility for the financial statements

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2013:Nil)

	2013	
	HK\$	HK\$
The taxation charge is made up as follows:		
Deferred tax		
Charge to statement of comprehensive income during the year	5,741	6,201
	=====	=====

The taxation on the company's deficit before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Deficit before taxation	(251,620)	(42,654)
	=====	=====
Calculated at a taxation rate of 16.5% (2013:16.5%)	(41,517)	(7,038)
Tax effect of non-deductible expenses	8,994	11,985
Additions to unrecognized tax losses	<u>38,264</u>	<u>1,254</u>

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2014.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

AUDITOR

The financial statements have been audited by Messrs W. M. Moo who retires and, being eligible, offers himself for re-appointment.

On behalf of the Board

Chairman
HONG KONG, 17 October 2014

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the separate financial statements of HKCFP Education Limited set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2014 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated financial statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the shareholders. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

Qualified opinion

Except for the failure to prepare consolidated financial statements, in my opinion, the separate financial statements give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary

difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2013:Nil).

The company had no significant unprovided deferred taxation at 31 March 2014 and 2013 and for the years then ended.

At 31 March 2014, the company has unused tax losses of HK\$8,101,736 (2013:HK\$5,641,345) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2013:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2014.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors

On behalf of the Board

Chairman
HONG KONG, 17 October 2014

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2014, the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Executive Board's responsibility for the financial statements

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2014.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$2,623,597.

On behalf of the Board

Chairman
HONG KONG, 17 October 2014

INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)

I have audited the financial statements HKCFP Holdings And Development Limited set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2014 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

HKCFP HOLDINGS AND DEVELOPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(e) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2013:Nil)

The taxation charges is made up as follows:

	2013
	HK\$
Deferred tax	
Current year	7,046
	=====

The taxation on the company's profit/(loss) before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Profit/(Loss) before taxation	(272,337)	268,299
	=====	=====
Tax at the income tax rate of 16.5% (2013:16.5%)	(44,935)	44,269
Tax effect of non-deductible expenses	33,025	26,656
Tax effect of non-chargeable income	(7,046)	(18,084)
Addition/(Utilisation) of unrecognised tax losses	<u>26,002</u>	<u>(49,468)</u>
Taxation charge	7,046	3,373
